<sup>2</sup> This amount reflects a reduction in fees in the amount of \$39,820.50 on account of voluntary write-offs. This amount also includes certain unbilled fees from previous months in the amount of \$8,377.00.

<sup>3</sup> The period from May 1, 2023, through and including May 31, 2023, is referred to herein as the “**Fee Period**.”

that Davis Polk incurred in connection with such services during the Fee Period (i.e., \$1,459,153.00) and (ii) payment of \$8,890.87 for the actual, necessary expenses that Davis Polk incurred in connection with such services during the Fee Period.

**Itemization of Services Rendered and Disbursements Incurred**

1. Attached hereto as **Exhibit A** is a chart of the number of hours expended and fees incurred (on an aggregate basis) by Davis Polk partners, associates, law clerks and paraprofessionals during the Fee Period with respect to each of the project categories Davis Polk established in accordance with its internal billing procedures. As reflected in **Exhibit A**, Davis Polk incurred \$1,459,153.00 in fees during the Fee Period. Pursuant to this Fee Statement, Davis Polk seeks reimbursement for 80% of such fees, totaling \$1,167,322.40.

2. Attached hereto as **Exhibit B** is a chart of Davis Polk professionals and paraprofessionals, including the standard hourly rate for each attorney and paraprofessional who rendered services to the Debtors in connection with these chapter 11 cases during the Fee Period and the title, hourly rate, aggregate hours worked and the amount of fees earned by each professional. The blended hourly billing rate of attorneys for all services provided during the Fee Period is \$1,475.75.<sup>4</sup> The blended hourly billing rate of all paraprofessionals is \$573.07.<sup>5</sup>

3. Attached hereto as **Exhibit C** is a chart of expenses that Davis Polk incurred or disbursed in the amount of \$8,890.87 in connection with providing professional services to the Debtors during the Fee Period. ---

<sup>4</sup> The blended hourly billing rate of \$1,475.75 for attorneys is derived by dividing the total fees for attorneys of \$1,431,187.00 by the total hours of 969.8.

<sup>5</sup> The blended hourly billing rate of \$573.07 for paraprofessionals is similarly derived by dividing the total fees for paraprofessionals of \$27,966.00 by the total hours of 48.8.

services. The effect of including such expenses as part of the hourly billing rates would unfairly impose additional cost upon clients who do not require extensive photocopying, delivery and other services.

4. Attached hereto as **Exhibit D** are the time records of Davis Polk for the Fee Period organized by project category with a daily time log describing the time spent by each attorney and other professional during the Fee Period.

**Notice**

5. The Debtors will provide notice of this Fee Statement in accordance with the Interim Compensation Order. The Debtors submit that no other or further notice be given.

*[Remainder of Page Left Blank Intentionally]*

WHEREFORE, Davis Polk, in connection with services rendered on behalf of the Debtors, respectfully requests (i) compensation in the amount of \$1,167,322.40, which is equal to 80% of the total amount of reasonable compensation for actual, necessary legal services that Davis Polk incurred in connection with such services during the Fee Period (i.e., \$1,459,153.00) and (ii) payment of \$8,890.87 for the actual, necessary expenses that Davis Polk incurred in connection with such services during the Fee Period.
